

Renault

EMS

General

NOTE: For Renault vehicles which use the 'Renault Card Keyless Ignition System' and the 'START' button (Megane II, Scenic II etc.):

To switch the ignition on WITHOUT starting the engine:

1. Unlock the car with the remote (card).
2. Insert the card into the card reader.
3. Without pressing the brake or clutch pedal push and hold the 'START' button for at least 5 seconds. The dash should illuminate and the button should be released.

All diagnostics can now be carried out.
